**Medicare and Medicaid Notice to the Public**

Notice is hereby given that on November 24, 2022, the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Aspire Senior Living Fayette, Fayette, Missouri as a skilled nursing facility in the Medicare program. In addition, as authorized by the Missouri Department of Health and Senior Services notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective November 24, 2022. These actions are taken because CMS has determined that Aspire Senior Living Fayette failed to attain substantial compliance with certain Medicare and Medicaid participation requirements as mandated by Sections 1819(h)(2)(C) of the Social Security Act and Federal regulations at 42 CFR §488.412 and 488.456). If the provider demonstrates substantial compliance with all CMS requirements, and a revisit survey confirms substantial compliance, prior to November 24, 2022, the provider will remain active in the Medicare Program and CMS will not terminate their provider agreement.

Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after August 24, 2022. For Medicaid residents admitted prior to August 24, 2022, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after November 24, 2022, the date of termination.
