NEW RESOURCE AVAILABLE: Third Edition SNF QRP COVID-19 Public Reporting Tip Sheet

The purpose of the **Third Edition Skilled Nursing Facility (SNF) Quality Reporting Program (QRP) COVID-19 Public Reporting (PR) Tip Sheet** is to help providers understand CMS' public reporting approach to the SNF QRP to account for CMS quality data submissions that were either optional or excepted from public reporting due to the COVID-19 public health emergency. The impacts on CMS' Care Compare website refreshes are also outlined. Additionally, this tip sheet contains information regarding the revised data submission threshold related to the SNF QRP annual payment update. This tip sheet serves as a companion document to the first and second edition SNF QRP COVID-19 PR Tip Sheets published in October 2020 and February 2022.

The tip sheet is available in the **Downloads** section below.
