While the terms of this document supersede the terms of the 2023 contract, the parties’ execution of this contract does not extinguish or interrupt any pending obligations or actions that may have arisen under the 2023 or prior year contracts.
- E. This contract is in no way intended to supersede or modify 42 CFR Part 423. Failure to reference a regulatory requirement in this contract does not affect the applicability of such requirements to PDP Sponsor and CMS.
