EHB-benchmark Plan Option (at 45 CFR § 156.111(a))	Under § 156.111(a)(3), Oregon selected a set of benefits to become the state's new EHB-benchmark plan.
Comments	<p>Oregon changed its EHB-benchmark in 2020 to come into effect in plan year 2022.</p> <p>In fulfilling the scope of benefit requirements at § 156.111(b), Oregon used the United Healthcare – Small Group Plan 3 offered in Oregon in plan year 2014 as the basis for determining the scope of benefits provided under a typical employer plan (with the pediatric vision EHB category supplemented by the FEDVIP BlueVision - High Option offered in plan year 2014 and the pediatric dental EHB category supplemented by Dental Plan of the Oregon Health Plan Children's Health Insurance Plan from plan year 2014). Oregon also selected these plans as the basis to determine the most generous among a set of comparison plans.</p> <p>The state's completed application for EHB-benchmark changes is available for review at https://www.cms.gov/CCIIO/Resources/Data-Resources/ehb#Oregon</p>
